**Other Information**

Expected Yearly Spend with  
 VBelt Supply:

Industry (please circle one): Agriculture Construction Mining Forestry Industrial Lawn Care Automotive Other

Type of Equipment:

1. The attached document is for internal use by VBeltSupply.com only.
2. PO Requirements and Customer Obligations:
  - 1) A customer must spend a minimum of \$600 in a 1 year time frame in order to be eligible to apply for PO Status. Once this threshold has been reached, a credit application may then be submitted for PO Customer status and an approved credit limit.
  - 2) All PO customers are on net 30-day terms. All invoices will be emailed without exception. A designated billing email must be setup with VBelt Supply prior to becoming a PO Customer.
  - 3) All delinquent invoices, without communication to VBelt Supply accounting, shall be subject to forfeiture of their PO status, loss of any high volume discounts, shall assume all associated costs with collections as well as all interest charges accrued.
3. All PO submitted requests are subject to the approval of VBelt Supply and its approved credit verification company.
